# OFF ROAD TETRA-POD

## FEATURES

Tandem walking Beam

Dumping

Bead Lock Rim

The Off Road Tetra-POD was created for the outdoorsman. This fully enclosed multi-functional trailer is made with 3/8" thick high density polyethylene and features a heavy-duty, powder coated steel frame with the durability to withstand the toughest of elements. This versatile trailer offers everything from being a fully enclosed trailer, a dump trailer and transforms into a multipurpose **Jon Boat**. So whether you are a hunter, trapper, farmer, or an outdoors enthusiast, the Off Road Tetra-POD is a must have for you.

# HUNTING BLIND

The **NEW** Tetra-POD Hunting Blind accessory is designed with our own unique outdoor pattern. The Hunting Blind is made with heavy-duty, mold resistant waterproof material for durability and longevity. It quickly attaches with the heavy duty J Trim fasteners. The Hunting Blind also comes with quiet durable zippers for easy entry and access to the shooting windows. Enjoy hunting with your Tetra-POD - *It can do it all!*

## ON ROAD TETRA-POD

Fully Dumping

DOT Lighting

R13/175 Radial Tires

The On Road Tetra-POD was designed for hauling behind any vehicle. This brand new design is a great option for camping, extra cargo space, or a simple dump run. The enclosed trailer can hold up to 27 cubic feet and is small enough to store just about anywhere. The On Road Tetra-POD comes with all the same great features as the Off Road Tetra-POD with the ability to travel wherever you want to go!

## BOAT MODE

The Tetra-POD transforms from a multi-functional trailer to an 11' Jon Boat. When used as a boat, the Tetra-POD holds up to 2 people with a 7 HP motor and has a 650 lb payload. The Jon Boat also includes two removable polyethylene foam filled seats. The Tetra-POD can be easily launched from any boat ramp or shoreline. This stable Jon Boat would be a great way to access smaller waterways, remote lakes or going fishing in your favourite spot.

# » TETRA-POD BOAT

The Tetra-POD Boat is for the person who only wants a boat and doesn't need the trailer. It fits great in the back of your pick up truck and acts as a multi-functional storage unit for all of your gear.
